Verwendungszweck: <i>Intended use:</i> Vorsichtsmaßnahmen: <i>precautions:</i>	<p>Apply the sunscreen generously before exposure. Reduced quantity will lower the level of protection significantly. Re-apply frequently to maintain protection, especially after perspiring, swimming or toweling.</p> <p>Avoid intensive midday sun. Keep babies and young children out of direct sunlight and make sure they wear protective clothing and high SPF sunscreens (higher than SPF 25). Even sunscreens with high sun protection factors do not provide a 100 % protection from UV radiation.</p>

	<p>Do not stay too long in the sun, even while using a sunscreen product. Sunburn damages the skin permanently and has therefore to be avoided. Over-exposure to the sun is a serious health threat. Avoid contact with eyes.</p> <p>Wait for the sunscreen product to fully absorb.</p> <p>Avoid contact with clothing, fabrics and surfaces.</p> <p>Permanent stains or changes are also possible even after the product was fully absorbed.</p>
