

Product specification	
Version: 1.0	Date: 20-01-2020

Product name Ref.	Bio Hanfsamen geschält   1 kg HANF_002	
Type	Hulled, natural	
Ingredients	Organic hemp seeds (100%)	
Country of Origin	Origin raw material: China Processed and packed in Europe	
Organoleptic Characteristics	Size	As grown by nature
	Colour	White-beige with a few green membranes and shell parts
	Flavour	Nutty, characteristic, no off flavour
	Odour	Nutty, characteristic, no off odour
	Texture	Firm
Physical Characteristics	Purity	99.9%
	Metal	Absent
	Glass	Absent
Chemical Characteristics	Moisture Content	Max. 6.5%
	FFA	Max. 2%
	Pesticides residues	According to EU legislation
	Heavy Metals	According to EU legislation
Biological Characteristics	Yeasts & Moulds (cfu/g)	< 20.000
	E. Coli (cfu/g)	< 10
	Salmonella (cfu/25 g)	Absent
Storage Conditions	Store cool, dry and dark	
Shelf Life	12 months from production under above mentioned storage conditions
